

Living our values together.

Eugster / Frismag AG

Eugster / Frismag AG is a family business that has remained true to its principles and values since its foundation. Those are responsible for our unique and strong corporate culture.

**We live
these values,
and we stand
for them.**

We focus on the long term.

As a family business, we think in terms of generations.
Our focus is on stability and sustainable growth.
Trust and loyalty are the foundation for this.

We pull together.

Community and collaboration are at the heart of everything we do. We see humanity and the diversity of our roots and cultures as an enrichment.

We are responsible and respectful.

Our actions conserve resources and the environment, and we are aware of our role model function.

We are open and courageous.

We communicate honestly and transparently. We approach new things with curiosity and courage. At the same time, we remain modest, down-to-earth and flexible.

We are passionate and committed.

Dedication and enthusiasm are at the core of how we work. With joy and drive, we devote ourselves to our company's success.
